

LECTURERS WITHOUT BORDERS

Connecting travelling scientists with schools and institutions worldwide

We use the untapped opportunity of traveling scientists to visit schools.

Liubov Tupikina and the LeWiBo team - 2024

LeWiBo: a network of scientists and schools

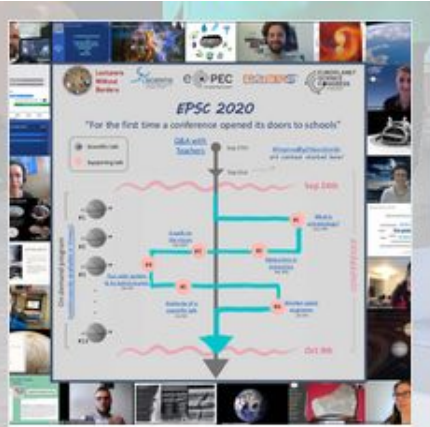

Scientists tell us where they're going and when (x,t)

we find a school (Y)

and coordinate the lecture! $f(x,Y,t)$

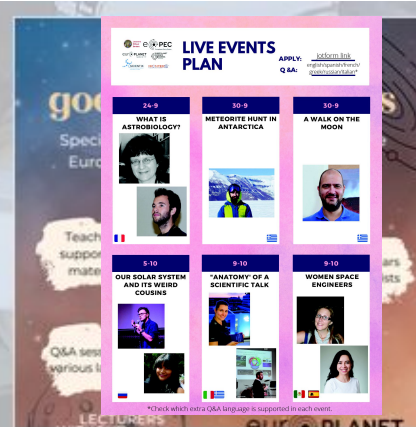

“The LeWiBo equation”

Model from Lewibo for connecting researchers and schools

EPSC 2020 GOING LIVE FOR SCHOOLS

In 2020 Europlanet Science Congress for the first time in history went live for schools. 114 schools from all over the globe have...

EPSC 2021 GOES LIVE FOR SCHOOLS

In 2020 Europlanet Science Congress for the first time in history went live for schools. In 2021, we'll be doing it again! In Autumn...

EPSC 2022 WILL BE OPEN TO SCHOOLS

In 2020 and 2021, the Europlanet Science Congress went live for schools online. In 2022, we'll be doing it again... but also have...
